

Demonstrations

Appliqué for Cheaters, by Bobbie Bergquist of Quilters Treasure, in Ringe, NH.

Intimidated by appliqué? All levels of quilters can create the same effect as needle-turn appliqué in half the stitching time. This quick, easy, fun technique enables you to convert any pattern, or design your own, without raw edges, paper piecing, satin stitching, fusible web or registration marks. Yet your quilts blocks will be soft and durable.

Cathedral Windows by Machine, by Bonnie Turner of Log Cabin Fabrics in Selkirk, NY

Open your eyes to a faster way of piecing the historical Cathedral Windows block. Using a new product by Unseen Hands, Bonnie will teach you how to perfect the ironing technique for a traditional look to the Cathedral Windows block. The new method eliminates the need for paper templates and the product can be used over and over again.

Half-Square Triangles from Pre-Cuts, by Kathie Greenwold and Lynn Makrin of KayLynn Designs of Niskayuna, NY.

Learn to easily and efficiently make half-square triangles of any size, including from pre-cut strips and squares.

Quick and Easy Placemats, by Michelle Maxham of Cotton Weeds in Freeport, ME.

Learn how to use Karen Montgomery's pattern to make easy, fast, fabulous placements, table runners and table toppers.
