Pick A Flower: Hand Reverse Needle-turn Applique

Learn how fun and easy reverse needle-turn appliqué by hand can be while you create the beautiful *Lily, Rose, Sunflower, Apple Blossom, Forget-Me-Not, Trumpet Vine, Thistle, Fuchsia or Iris* from *Eye of the Beholder's Victorian Flower Garden Quilt IV*. Each flower makes a 16" Square that may be a block in a quilt or finished as a pillow to decorate your sofa. Hand appliqué is a labor of love, but when you trace, baste, snip & stitch, it's fun and easy!

Come join the fun! I will lead you step by step through the process. Learn how easy it is to get sharp points, crisp corners and graceful curves. You will love the results you get and you don't get hung up on the pins. Be empowered to do reverse needle-turn appliqué by hand, do it like a pro and enjoy it!

Class taught by Margaret Willingham, pattern designer at *Eye of the Beholder Quilt Designs*, June 28, 2017.

Supply list:

- Flower pattern of your choosing
- 18" square of light batik for background
- 18" square of medium – dark batik for top. (You will need two 18" squares if you wish to make a pillow)
- 18" square batting
- Safety pins
- 1 pair small, sharp scissors
- No. 7 sharp needle for basting
- Button or quilting thread in color that contrasts the top batik for basting
- No. 11 Milliners needle for appliqué

Before class: Please have your pattern all traced onto your background batik. Follow the instructions for **Pattern Marking** on page 1 of your pattern. You will need a marking pencil that contrasts your background batik, and you may find a Light box helpful to see through your background fabric while tracing.
