

****The NACQJ Award is a ribbon members of the National Association of Certified Quilt Judges may give to any quilt they choose that shows excellence in design and execution of that design. This award is given in addition to the Guild's Judge's Recognition Awards.**

NOTE: Look also for the President, Co-Chairmen, Youth and Vendors awards which are not limited to judged quilts, but may be chosen from among all of the quilts displayed.

Vendor's Choice ribbons are chosen by a representative of each Vendor at the show. Look for these awards throughout the show. They are also not limited to judged quilts.

Our thanks to the Judges and all the volunteers on Judging Day who made it possible to have a Judged portion of our guild show.

Thanks also go to Kathie Lutz, Niskayuna, NY, who designed the Excel spreadsheet we used during Judging which made the tabulations easier, quicker, and more accurate throughout the day.

VIEWER'S CHOICE

Be sure to complete your Viewer's Choice Ballot and leave it in the tin located near the entrance to the Ballroom. The Viewer's Choice ribbon is not limited to judged quilts – you may vote for any of the quilts in the Ballroom or Hallway leading into the Ballroom.

The Viewer's Choice ribbon is awarded to the quilt that receives the most votes and will be formally presented at our Guild Meeting in May.
